

# MASTER PLAN DESIGN

**Project Name:** Sagemill Industrial Park  
**Project Location:** Aiken, SC  
**Client:** Aiken Economic Development  
**Approximate Cost:**  
**SCOPE OF WORK**

Principals from InSite Group acted as design lead members of the design and construction management team that completed Master Plan Design for sites in the Aiken Sagemill Industrial Park, including Arcco, Bridgestone/Firestone, and USF Industries. Coordination of all the sites, utility tie-ins, power utilities, water and sewer layouts.

Site design activities included a new rail spur for some possible sites, storm water management system, new lift station and force main. The roadway design and pavement design proved challenging due to the vehicle loading and traffic patterns. This was an on going project, conceptual layout were implemented on different site location.
